Nevada Assembly Bill 70

In addition to any fee charged and collected pursuant to NRS 502.250, a fee of $3 must be charged for processing each application for a game tag, the revenue from which must be accounted for separately, deposited with the State Treasurer for credit to the Wildlife Account in the State General Fund and used by the Department **, at the direction of the applicant**, for costs related to:

a) Developing and implementing an annual program for the lethal removal of predatory wildlife; or
b) Developing and implementing an annual program for the improvement of wildlife habitat and research or management activities beneficial to non predatory game species.
